The user interface is always the same therefore the user experience doesn't change!

A group of five diverse individuals is seated on white stools against a white brick wall. From left to right: a man in a maroon shirt uses a tablet; a man in a white t-shirt and grey beanie uses a tablet; a woman with long red hair uses a smartphone; a woman with short blonde hair and glasses uses a laptop; and a woman in a yellow cardigan uses a tablet. A semi-transparent white banner is overlaid across the middle of the image, containing the text "Avaya Spaces for Education".

Creating Classrooms

Is possible to create one space associated to each classroom in which you can invite both students and teachers.

The screenshot illustrates the process of creating a new space in the Avaya Spaces app. A red box highlights the '+ New Space' button in the top left corner. A modal dialog is open in the center, titled 'Let's get started!', with the instruction 'To create a group space, simply name your space and invite friends or colleagues.' The name 'Class 1 ^ A' is entered in the text field. Below the text field is a label 'Enter name, email address or phone number...' and an 'OK' button. A red arrow points from the 'New Space' button to the modal, and another red arrow points from the modal to the 'Class 1 ^ A' text. A third red arrow points from the 'OK' button to a text box at the bottom of the modal. The background shows the user's profile 'Francesco Screto' and a list of spaces including 'AvayaSpacesSpec...', 'Spaces Beta Group', and '1^A'.

Let's get started!

Classroom Group Chat

The screenshot displays the Avaya Spaces interface for a group chat named "1^A". The top navigation bar includes options for "New Space", "My Meeting Room", and "Find a Space or User...". The main chat area shows a message: "Esercizi per domani: pag.41 numero 2,3,6,8 Ripetere capitolo 1" with 7 replies. Below this is a "Storia" section with a message: "L'argomento della lezione per domani è il capitolo 2" with 7 replies. A video file titled "FS-VIDEO-COLLABORATION-UC7626..." (370.48 KB) is shared, featuring a thumbnail with the text "Casi di utilizzo della collaborazione video per il miglioramento della produttività e dei risultati". On the right, a "Start a video call!" button is visible, with a red arrow pointing to the text "Click here to start a live video lesson". Below the chat area, a list of participants is shown, including Francesco Screto (Admin), Paolo Galizi (Member), and Patrizio Di Carlo (Member). A red arrow points from the video file to the text "List of students and professors enrolled in class 1 ^ A". Another red arrow points from the video file to the text "Public Chat Class 1 ^ A where everyone can write and share".

Attach files in the Classroom Space

The screenshot displays the Avaya Classroom Space interface. On the left, there is a sidebar with a 'New Space' button, a search bar for spaces or users, and a list of recent spaces including '1^A'. Below this is a list of direct messages. The main area shows a chat window for space '1^A' with tabs for 'Chat', 'Posts', 'Tasks', and 'Meetings'. A 'Share something' dialog box is open in the center, allowing users to share a new file, post, or task. The 'File' option is selected, and a file named 'Maths' is attached. A red arrow points from the 'Share' button in the dialog to the chat area. Another red arrow points from the paperclip icon in the chat input field to the text 'Click here to attach a file'. In the background, a video call invitation is visible with the text 'Start a video call!' and 'Audio/Video Settings'.

Creating Post

It is possible to create posts in the class dedicated to specific subjects or other topics. These posts can be updated everytime with contents of the lessons etc.

The screenshot displays the Avaya Spaces interface. On the left, a sidebar shows a list of spaces, including 'My Meeting Room' and 'RECENT SPACES' with '1^A' selected. The main area shows a chat room for '1^A' with tabs for 'Chat', 'Posts', 'Tasks', and 'Meetings'. A 'Create a post' dialog is open, allowing users to share a new post. The dialog has three options: 'File', 'Posts' (selected), and 'Tasks'. The 'Space' is set to '1^A'. The 'Post name' field is empty, and the 'Description' field is also empty. Below the description field is an 'Attach' button with a plus sign. A 'Post' button is at the bottom of the dialog. Red arrows point from the 'Post name' field to a post in the chat room, from the 'Description' field to the post's content, and from the 'Attach' button to the 'Attach files' label. The post in the chat room is titled 'Start a video call!' and has a description 'Lesson on Tuesday March 3°'. The user 'Francesco Screto' is the author of the post.

Creating Post - EXAMPLE

The screenshot illustrates the Avaya Spaces interface during post creation. On the left, a sidebar contains navigation elements: a '+ New Space' button, 'My Meeting Room', a search bar 'Find a Space or User...', and sections for 'RECENT SPACES' and 'DIRECT MESSAGES'. The main content area shows a post by Francesco Scretto, dated Mar 5, 2020, titled 'Storia'. The post text reads: 'In questo post condividerò tutte le informazioni relative alla mia materia'. A red arrow points from the title 'Storia' to the text 'Post Dedicated to the subject History'. Below the post is an 'Attachments' section, followed by an 'Activity' section with a text input field 'Write your comment here' and a 'Send' button. A red arrow points from the comment box to the text 'Here you can insert an update'. Below the activity section, a list of previous posts is shown, with a red arrow pointing from the first post to the text 'It is possible to continuously update the post history by adding various information and attachments'. On the right, a panel shows a 'Start a video call!' prompt with 'Audio/Video Settings' and a list of users including Francesco Scretto (Admin), Paolo Galizi (Member), and Patrizio Di Carlo (Member).
